**Legal Aid SA - Specification evaluation criteria for procurement of office accommodation including  
evaluation criteria - Greytown Satellite Office**

No.	Specifications	YES	NO	Comment
<b>1</b>	<b>Operational lease</b>			
1.1.	The bidder should provide a copy of the title deed for the building to prove ownership.			
1.2.	An agent of the landlord should provide a mandate letter detailing all responsibilities that the owner of the building requires him/her to do.			
1.3.	The properties should be offered on an operational lease, for a minimum period of five (5) years. Where possible, seven (7) or ten (10) year leases may also be considered. Hence the rates for seven (7) and ten (10) year leases must also be provided.			
1.4.	The building must be zoned by the local authority for office, business or commercial purposes.			
1.5.	The premises must have a valid electrical compliance certificate and a municipal occupation certificate prior to occupation of the premises.			
1.6.	The Landlord should be willing to include a clause in the lease agreement regarding right of first refusal where the building will be first offered to Legal Aid SA should it be up for sale subject to Legal Aid SA adhering to its Supply Chain Management Policy.			
1.7.	A floor plan (not to scale) sketch must be provided indicating the office layout as per the detailed work space norms on the last page of this document. The floor plan must highlight areas that are already partitioned. In the case of an existing landlord, the floor plan must highlight areas that are require repartitioning.			
1.8.	The Landlord must be willing to undertake all refurbishments on behalf of Legal Aid SA. Legal Aid SA will reimburse the Landlord for all costs negotiated less any Tenant Installation Allowance provided. The refurbishments will form part of the final lease signed.			
1.9.	The lease proposal must include an estimate of the costs of refurbishment and the Tenant Installation Allowance Offered in accordance with the detailed work space norms provided on the last page of this document			
1.10.	Buildings that have rising damp or visible structural defects including wall cracks exceeding 5 mm will not be considered for further evaluation.			
1.11.	No deposit shall be paid for rental of the building.			
1.12.	Where possible a separate electricity meter should be in place which is managed and controlled by the local municipality or Eskom. No other meter system will be accepted.			
1.13.	The Landlord must ensure proper and adequate maintenance of the exterior of leased premises together with common areas for the duration of the agreement.			
1.14.	Legal Aid SA reserves the right into enter into further negotiations for reduced or greater space and a reduced rental or refurbsigment costs.			
1.15.	Standard Lease Agreement used by Legal Aid SA shall form part of the tender document and it is suggested that same be used. In cases where service providers need their lease agreements used, no levies or contract drafting costs shall be payable by Legal Aid SA. Such leases shall be vetted by Legal Aid SA's legal team to ensure compliance with the organization's policies and regulations.			
1.16.	Legal Aid SA reserves the right not to make any appointment and shall not entertain any claim for costs that may have been incurred in the preparation and the submission of proposals.			

<b>2</b>	<b>Evaluation</b>			
	The evaluation will be conducted in following phases;			
2.1.	<b>Functionality Evaluation Criteria:</b> In this phase, Legal Aid SA will look at the most appropriate property aligned to its operation, compatible with its infrastructure and feedback from reference checks. These will include site visits of properties and presentation by the landlords where necessary. The building will be evaluated on the following functionality criteria:			
	<b>Criteria</b>	<b>Weights</b>		
2.1.1.	<b>Building location and accessibility: (&lt;1km)</b> i. What is the approximate distance from courts being serviced using a motorvehicle? ii. What is the approximate distance from court being serviced by foot taking into account public/private walkways? iii. What is the approximate distance of building from public transport interchange facilities, such as taxi ranks, train stations and bus terminals? iv. Is the location accessible to disabled persons who make use of public transport? v. Will the premises be easily visible to the public or our clients? vi. Is the building a standalone building? vii. Easily accessible by disabled people. <b>NB: Building located &gt;1km will be scored lower points.</b>	<b>40</b>
